A Sum of Rs 96/- is paid from temple Expenditure from Barahagan Sankarpane Allowance every year. Including this Sum of Rs 96/-, the income of the institution is Rs 822-9 as seen from the Scale "Patti" [illegible] this item of Rs 96 Barahagan Sankarpane Allowance, [illegible] income of Rs 726-9-0. There will be an Expenditure Rs 885-12-0, which latter includes 42 Rs towards Contribution to H.E. Fund & Rs 60 towards T.A. to the clerk of the Pampathegan Carrying Proceeds to Mysore. Thereby there will be a deficit of Rs 159-3-0.

from the Scale of the Bisle Chattram & included in that of the Subrahmanya temple, its Scale being revised accordingly. Vide fo No. 848-9/Mur. 192-23-10 dt 10.12.1924.

It will also be seen from the same fo that a separate sum of Rs. 450/- has been allotted for feeding in Bisle chattram during Sasti season.

It is clear, therefore, that the Scale in question will not be affected even if no amount is made available from the Barahazar Santharpana Fund.

Further, even if feeding in Bisle chattram is abolished as proposed by the Committee for examining feeding in Murai Institutions, it will not affect the present proposals.

The ~~proposal~~ proposal of the Mg is to continue for another five years the present Scale of income & expenditure of the Sri Subrahmanya Swamin temple at Subrahmanya viz Rs. 822-9-0 & Rs 819-12-0 respy, with an annual saving of Rs-2-13-0.

This expenditure does not take into account the Contribution of Rs. 42/- to be made to the Murai Establishment Fund which was fixed in fo No. 146-7/Mur. 222-29-7 dt 16.7.1930. If the recommendation of the Mg to waive this Contribution is not accepted, provision has to be made for meeting this charge. In order to make this amount available, the expenditure to that extent will have to be curtailed. The only item which can bear reduction appears to be the item of expenditure for Nityakatle which Comes to Rs 35/8/-

If a reduction of Rs. 8/8/- pm is made in this item, it will just suffice to meet the Contribution charge for the R.E. Fund.

The question of the scale of feeding of such of the Temple Chattrams as are ~~now~~ now a matter for orders. If it is necessary, the Commissioner will be consulted.

The cost of feeding at the Triple Chattrams viz. Rs. 350/- p.a. is now being paid from the grant to the Varahaswami Sannidhanam. As orders are under issue stopping the feeding at the said Chattrams, the small contribution from the Sri Subrahmanyaswami temple to the Murugan Endowments Fund, viz. Rs. 42/- p.a. may perhaps be ordered to be met from the above saving.

This may perhaps be approved

SIR,

With reference to your letter No.1860/Muz. dated 10/13th June 1932 re revising the scale of income and expenditure in the temple of Sri Subrahmanyaswami temple at Subrahmanya, I have the honor to state that the provision of Rs.60/- made in the scale towards the travelling expenses of the person bringing Tirtha and Prasada to Mysore, includes the cost of the extra quantity of Prasada to be obtained from the --- temple, and an expenditure not exceeding Rs.60/- on account of these two items is allowed. No reduction is therefore possible.

2. As regards the continuance or otherwise the only alternative arrangement is to send these prasadams etc., by post. How far such a procedure would be in accordance with their submission to His ---- Highness on an auspicious and religious function has also to be ----- taken into. If the discontinuance is to be further considered I would suggest that the Huzur Secretary to His Highness the matter may be addressed.

Subject :- Revision of the scale of income and expenditure in the temple of Sri Subrahmanyaswami at Subrahmanya.

With reference to correspondence ending with your letter No.1565/31-32 dated 11th July 1932, on the above subject, I am directed to state that it is not possible to waive the contribution to the Muzrai Establishment Fund and that some reduction in the present scale of charges has to be made to find a sum of Rs.42/- to be paid to this fund. It is seen from the statement of establishment sent by you that a monthly provision of Rs.12-1-0 is made for Agamic allowance details for which are not given. Considering the general scale of payment for other services, this provision appears to be somewhat high. If this item can be reduced to Rs.10/- per mensem a saving of Rs. 24-12-0 can be secured. The balance required to make up Rs.42/- is Rs.17-4-0 and a reduction of Rs.1-7-0 in the monthly nityakatle grant of Rs.35-8-0 will give this amount. I am to request you to be so good as to intimate whether these reductions cannot be made to find the money for contribution to the Muzrai Establishment Fund.

The favour of an early reply is requested.

The connected records are returned for reference and retransmission.

SIR,

With reference to correspondence ending with your letter No.271 Muz.dated 9/11th August 1932 re the revision of scale in the temple of Sri Subrahmanyaswami at Subrahmanya, I have the honor to submit herewith a copy of the Inam Register pertaining to the grant of ----- Rs.144-12-0 for agama service in the temple obtained from the Survey Superintendent in Mysore. Kind reference is invited to entries in - column 17 of the Register confirming the grant to the then Holder and his heirs without reduction, subject to the condition of performing the agama service. This grant does not form part of the grant ------ sanctioned for Paditara and other expenses in the temple but is a --- different one altogether and has been settled as such during the Inam Settlement. under clause 3 of Muzrai Rule VII corresponding to clause (6) of Paragraph 262 of the Revenue Manual, Vol.1. It seems to be therefore that this grant is not capable of reduction, as suggested in the letter under reply.
